ADVISORY TO THE PUBLIC

Partial Road Closure Needed to Support Renewable Energy Project

(Fadian, Mangilao) – Guam Power Authority (GPA) advises the public of a **partial road closure in Piti** scheduled from **Saturday, October 10, 2026 at 7:00 a.m. to 5:00 p.m.** then again, the following day, **Sunday, October 11, 2026 from 7:00 a.m. to 5:00 p.m.**

GPA crews will be performing interconnection work along **Route 1, Marine Corps Drive, in Piti, from T. Stell Newman Visitor Center / War in the Pacific National Park towards Polaris Point.** During both days, GPA line crews will be conducting 115kV transmission line pole modification work in support of the Phase IV Renewable Energy Projects.

As overhead work is being conducted on the southbound side, **the outermost southbound lane and adjacent shoulder will be closed off to traffic.** ***The inner southbound lane will remain open for through traffic.***

Motorists should expect traffic delays as work is being performed in this area. Road closures are necessary in order to ensure the safety of the line crew and other personnel. Highway road signs will be visible to direct motorists as work is being performed in this area. In the event the work is completed earlier than scheduled, lanes will be reopened shortly thereafter.

We apologize for any inconvenience this may cause. To get the most up-to-date information, please visit our website at www.guampowerauthority.com or social media pages.
