Final Daily Power System Status Restoration

Day 8 since COR 4 - ST Sinlaku

99% System Load Restoration Achieved

(Fadian, Mangilao) – GPA continues its post-typhoon power restoration process, with 99% system load achieved and is now concluding the daily reporting of power system status restoration updates.

Crews will continue making necessary repairs for approximately 454 isolated customers island-wide with extensive damages, while closing out emergency work clearances that require customer-side repairs. Customers may report emergency power issues to GPA Dispatch at (671) 475-1472/3/4.

GPA's continued priority is to restore energy back into your homes and businesses; and restore the island-wide power system (IWPS) online at full capacity.

Si Yu'os Ma'åse' for your patience and support.

GPA Customer Service Call Center will remain active from 6 a.m. – 8 p.m. daily through Monday, April 27, 2026 to address Typhoon Sinlaku customer concerns. Voicemails and direct messages are checked hourly.

Customers without power service, experiencing power quality issues, or who have completed Emergency Work Clearances are requested to contact GPA Customer Service Call Center to report these issues for resolution.

GPA Customer Service Call Center: (671) 647-5787/88/89

Power service and/or quality issue reports can also be submitted via email at customersfirst@gpagwa.com, through GPA's Facebook Direct Messenger (@guampowerauthority), or through your village mayors.
