Re: Fiscal Year 2025 Freedom of Information Act (FOIA) Annual Report

Dear Attorney General Moylan:

Pursuant to the requirements of 5 G.C.A. § 10107, the Guam Power Authority (GPA) hereby responds as follows:

5 G.C.A. § 10107. Annual Report.

- (a) On or before February 1 of each year, each agency shall submit to the Attorney General of Guam a report which shall cover the preceding fiscal year and which shall include:

- (1) The number of determinations made by the agency not to comply with requests for records made to such agency under § 10108 of this Chapter and the reasons for each such determination;

GPA Response: To the best of my knowledge, GPA has responded to all Sunshine Act Requests for FY2025.

- (2) The number of requests for records pending before the agency as of September 30 of the preceding year, and the median number of days that such requests had been pending before the agency as of that date;

GPA Response: I am not aware of any pending requests.

- (3) The number of requests for records received by the agency and the number of requests which the agency processed;

GPA Response: For FY2025 GPA received fifteen (15) Sunshine Act requests and responded accordingly.

- (4) The median number of days taken by the agency to process different types of requests;

GPA Response: The median number of days GPA spent to process and respond to the fifteen (15) Sunshine Act requests was four (4) days.

- (5) The number of full-time staff of the agency devoted to processing requests for records under this Section, and the total amount expended by the agency for processing such requests.

GPA Response: GPA assigns its existing employees to process and respond to Sunshine Act requests in addition to their regular duties. For each of the fifteen (15) requests in FY2025, between two (2) and ninety-six (96) employees were assigned to process and prepare the response. GPA expended approximately \$112,875.00, which was absorbed in its entirety by GPA, given the statutory rates in 5 GCA §§ 10203 and 10304.

- (b) Each agency shall make each such report available to the public, including by computer telecommunications, or if computer telecommunications means have not been established by the agency, by other electronic means.

GPA Response: The report will be posted electronically on our website at www.guampowerauthority.com as required.

- (c) The Attorney General of Guam shall make each report which has been made available by electronic means available at a single access point. The Attorney General of Guam shall notify the Legislative Secretary of *I Liheslaturan Guåhan*, no later than April 1 of the year in which each such report is issued, that such reports are available by electronic means.

GPA Response: See item (b) above. GPA will post its annual report electronically on the GPA website. The Attorney General may post GPA's report at the Attorney General's single access point.

- (d) The Attorney General of Guam shall develop reporting and performance guidelines in connection with reports required by this Section by October 1, 1999, and may establish additional requirements for such reports as the Attorney General determines may be useful.
